

ABOUT US

Aquila Care provides support for people with disabilities. We focus on providing a wide range of services, lifestyle and wellbeing services that enables people with disabilities to remain independent in their own homes.

Our goal is to provide that person centred care experience, improving our client communication and confidence to be able to explore their community/environment and live life to the fullest.

We believe our services will empower our client and make a difference, bringing people together to make a difference. We focus on meeting individual needs and tailoring a home care support plan to suit each and every person.

Our Services

The services provided are delivered in a way that promotes dignity, integrity, and respect. This is achieved by approaching things differently – by seeing our participants as people with personalities, families, interests, and dreams rather than just another client.

Our Vision

Our vision is to create a resilient and empowered community in partnership to support people with disability to live a great life with choice.

Our Mission

Our mission is to provide flexible and reliable support to our clients to promote their independence and achieve their goals and aspiration.

Our Values

Respect, Integrity, Innovation,
Dignity, Trust

Social and Community Participation

Social and recreation activities are part of everyday life. These are activities everybody does for fun and can help with your health and wellbeing. They can also help you to meet new people and improve your skills.

Social and recreation activities can include things like:

- visiting your friends and family
- active hobbies, such as bike riding, skiing or kayaking
- playing sport, such as tennis, surfing or basketball
- going out, for instance to the movies or a concert
- going places for fun, such as shopping or visiting a museum
